A STATEMENT FROM PETWORTH TOWN COUNCIL

The Town Council wishes to state that the 'Gateway Project' as described in the Vision's newsletter is the idea of the Vision group.

The Town Council is not involved in this project as it has not been discussed and approved at a Town Council meeting.

The Vision is not a working party of the Town Council nor was it established by the Town Council. It receives no money from the Town Council and is an entity in its own right.

Your Town Council is the elected body established by legislation, with statutory and specific roles and responsibilities. It has a duty to provide amenities, services and functions for its parishioners and businesses through the Precept (part of your council tax). Legislation does not permit it to ask for donations.

All council meetings are open for residents to attend, agendas are posted on the notice board and with the minutes are posted on the website. Openness and transparency are paramount.

Should you have any questions or comments please email the Clerk on:

Thank you.
