

Petworth Division

Local Organiser Caroline Stoneman 01798342942

The Community Minibus Association (West Sussex) was formed in the early 1970s and covers about 45 villages in West Sussex. The Charity is run purely by volunteers. Although Petworth is not a village we have our own minibus which we share with surrounding villages although currently Kirdford is currently the only one to use it regularly. The minibus is kept in the Estate Yard of Petworth House.

The Petworth Minibus is used regularly to ferry members of the Petworth Over 60s to their Centre in Trump Alley from Hampers Green, Duncton, Orchard Close and other outlying areas. Residents of Lund House, Morgan Court, The Sylvia Beaufoy Youth Centre and even the Town Council have made use of it on occasion.

On the first and third Fridays each month there is a shopping trip to Worthing or sometimes to Horsham.

There is an annual membership fee of £8.00 and anyone can join. There is a small fare per trip.

We are always looking for volunteers to drive and escort the passengers and training is given to help carry out these roles.
